INTRODUCTION

By CEO Bernard Clarysse

Welcome

Corona has led many of our conversations this year and will continue to do so in 2021. The challenge has made us realise what truly matters; our loved ones, the family and friends we want to keep close.

During these challenging times, we want to bring you cosiness, comfort, and warmth for you to enjoy with those people that matter to you most.

We passionately design new products and surprising home concepts to help you face the challenges to come. Clarysse is ready for the new normal.

HOME IN-SPIRATION

HOME OUT-SPARATION

To get a break from the digital world we constantly live in, we go outside more often. That doesn't have to be far: just by stepping through our back door, nature is at our feet. Our house and garden no longer exist as two separate entities, and we love decorating them nicely. With our Out-spiration concept, we take inside's cosiness outside with trendy garden cushions and comfortable plaids. The ideal solution for an enjoyable garden full of character.

Om voldoende af te wisselen met de digitale wereld waarin we vandaag voortdurend leven, trekken we steeds vaker naar buiten. Ver hoeft dat niet te zijn: even de achterdeur door, en het groen ligt aan onze voeten. Huis en tuin staan niet langer los van elkaar, en we richten ze allebei maar al te graag gezellig in. Met ons Out-spiration-concept halen we de gezelligheid van binnen naar buiten, met trendy tuinkussens en comfortabele plaids. De oplossing voor een gezellige tuin mét karakter.

Um eine ausreichende Abwechslung zu haben mit der digitalen Welt in der wir ständig leben, ziehen wir öfter nach draussen. Dafür brauchen wir nicht weit zu gehen: nur die Hintertür öffnen, und wir befinden uns ins Grüne. Haus und Garten sind nicht länger 2 verschiedene Räume, und wir richten beide sehr gern gemütlich ein. Mit unserem Out-Spiration-Konzept ziehen wir die Gemütlichkeit von draussen nach drinnen, mit Trendy Gartenkissen und weichen Plaids. Die ideale Lösung für einen gemütlichen Garten mit Charakter.

Pour échapper au monde numérique dans lequel nous sommes obligés de vivre constamment, nous avons de plus en plus envie de sortir à l'extérieur pour plus de nature. Pas besoin pour cela de partir très loin, il suffit de pousser la porte de derrière, celle qui donne sur le jardin si on a la chance d'en posséder un. Notre jardin et notre maison n'existent plus comme deux entités distinctes si l'on en juge de l'énergie que nous dépensons pour les décorer joliment. Avec notre concept «Out-spiration*», nous passons à l'extérieur avec des coussins de jardin tout à fait tendance et des plaids confortables. La solution idéale pour vivre dans un jardin agréable et plein de caractère.

* L'inspiration pour vivre à l'extérieur!

KIDS

Bibs and bathrobes for children need to have that extra touch that can withstand meals and tickle fights on the sofa. Our range for children is made of high-quality twisted yarn and is perfectly fitted for intensive use.

Do you go for the jacquard bib with a drawing or are you more of a uni lover? What ever you choose, both can be easily personalised with embroidery.

Slabbetjes en badjassen voor kinderen moeten van tijd tot tijd tegen een stootje kunnen. Ons kindergamma met getwijnd garen is dan ook perfect voor intensief gebruik.

Ga je bij onze slabbetjes voor een jacquard versie met een tekening of toch liever voor een uni stofje? Wat je ook verkiest, beide kan je sowieso makkelijk personaliseren met borduurwerk.

Lätzchen und Bademäntel für Kinder müssen eine besondere Qualität haben, die den Mahlzeiten und Kitzel Kämpfen auf dem Sofa standhalten kann. Unsere Frottierwäsche für Kinder ist aus hochwertigen Zwirngarnen gefertigt und ist ideal für den intensiven Gebrauch.

Möchten Sie lieber ein gemustertes Lätzchen, oder sind Sie ein Uni-Liebhaber? Was auch immer Sie wählen, alle Artikel können mit Stickerei personalisiert werden.

La vie quotidienne des bavoirs et des peignoirs de bain pour les enfants n'est pas toujours facile. Nos gammes pour enfants sont fabriquées avec des fils retors, c'est donc parfait pour un usage intensif.

Allez-vous choisir un bavoir uni ou plutôt avec un motif jacquard? Quoi que vous choisissiez, les deux versions peuvent être facilement personnalisées avec une broderie.

INDUSTRIAL

Our Industrial collection is the perfect solution for people who are looking for towels that can be used intensively. All fabrics in this collection can be washed daily without any problem and are meant to last a long time.

Next to that, our specially adapted towels are made to meet many hairdressers' wishes. These light weights have a solid quality, are specially dyed and have a short pile. Because of that, the towels are protected to the max against the most stubborn stains.

Onze 'Industrial'-collectie is de ideale oplossing voor mensen die op zoek zijn naar handdoeken die ze intensief kunnen gebruiken. Alle stoffen in deze collectie zijn bestand tegen dagelijkse wasbeurten en gaan extra lang mee.

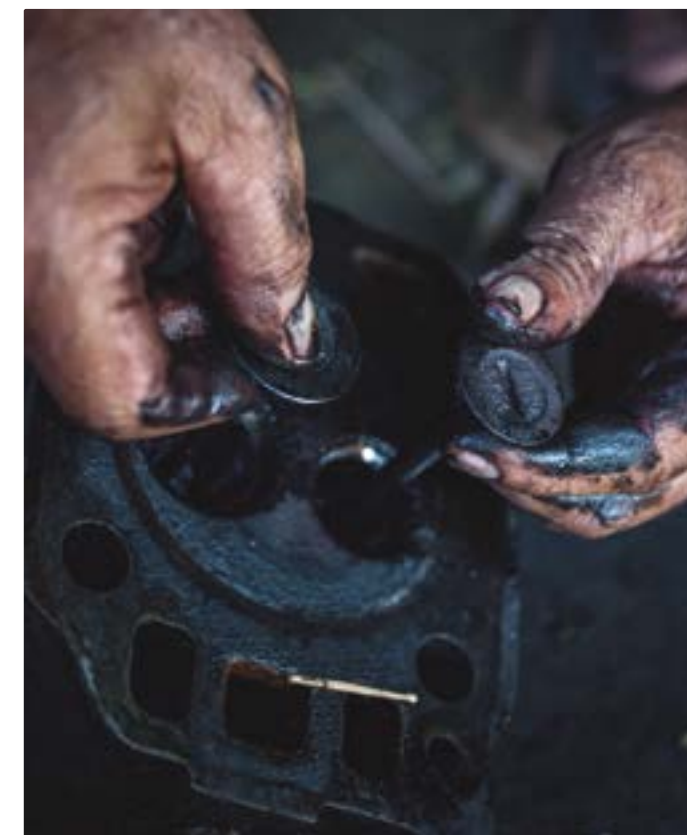

Met onze aangepaste handdoeken komen we bovendien ook tegemoet aan de vraag van vele kappers. Deze lichtgewichtten hebben een stevige kwaliteit, zijn speciaal geveerd en hebben een korte lus. Daardoor zijn ze maximaal beschermd tegen de meest hardnekkige vlekken.

Unsere Kollektion für industrielle Kunden bietet Frottiertücher die intensiv und dauerhaft genutzt werden können. Alle Artikel dieser Kollektion können problemlos täglich gewaschen werden und werden lange in Gebrauch sein.

Speziell gefärbte Frottiertücher sind für die Verwendung bei Friseuren und im Kosmetikbereich konzipiert. Eine leichte, solide Qualität mit kurzem Flor ist dafür bestens geeignet.

Notre collection 'Professionnelle' est la solution idéale pour ceux qui recherchent des serviettes pouvant être utilisées de façon intensive. Toutes les matières de cette collection résistent aux lavages quotidiens et durent vraiment longtemps.

Avec nos serviettes 'spécial coiffure', nous répondons également à la demande de nombreux coiffeurs. Légères (boucle rase) mais incroyablement solides, elles ont fait l'objet d'une teinture spéciale qui les protège contre les taches les plus tenaces.

PROMOTIONAL

A personalised towel is a nice corporate or promotional gift or a great way to strengthen your image. At Clarysse, you have the possibility to embroider, weave-in or print your logo, slogan or company name. Together with you, we make the best possible version of your design.

Een gepersonaliseerde handdoek is een erg leuk cadeau voor jouw personeel of relaties, of simpelweg om jouw imago te versterken. Bij Clarysse heb je de keuze om jouw logo, slogan of bedrijfsnaam te laten borduren, inweven of bedrukken. Samen met jou bekijken we hoe het ontwerp het best tot zijn recht komt.

Ein personalisiertes Handtuch ist ein schönes Firmen- oder Werbegeschenk und eine gute Möglichkeit Ihr Image zu stärken. Clarysse bietet die Möglichkeit, Ihr Logo, Ihren Slogan oder den Firmennamen einzusticken, zu weben oder zu drucken. Zusammen mit Ihnen erstellen wir die bestmögliche Version Ihrer Idee.

Vous souhaitez offrir un très beau cadeau aux membres de votre personnel ou vos clients, ou simplement renforcer votre image de marque ? La serviette personnalisée est l'article qu'il vous faut. Chez Clarysse, vous avez le choix : mettre votre logo, votre slogan ou le nom de votre société brodé, tissé ou imprimé. Ces éléments peuvent être ajoutés sur une serviette existante.

EMBROIDERY

Your logo, company name and/or baseline is subsequently sewn onto a bath towel. This option is very refined and stylish, and can be both discrete or prominent. The possibilities with embroidery are endless.

INWEAVING

The word immediately implies what it does: we weave your logo into our fabric during the production process.

PRINTING

Especially colourful designs benefit from the possibilities of printing. Looking for an all-over digital print on a velvet bath towel? Or maybe you just want a simple personalised border? Printing gives you many options.

CLARYSSE TOUR

Since our establishment in 1953, we've grown to be a European leader in producing and distributing bath and kitchen textiles. What's very important is that everything at Clarysse happens under the same roof: from design to finished product, everything is managed and observed on our premises in Pittem, Belgium.

For many people, bath and kitchen fabrics are a common product. For us, however, it is the result of a process that we repeat with passion for every new item. When creating towels, we always keep your satisfaction in mind. Will you join us on a tour behind the scenes?

Sinds onze start in 1953 zijn we uitgegroeid tot de toonaangevende Europese marktleider in de productie en distributie van bad- en keukentextiel. Eén van onze belangrijkste troeven is dat alles bij Clarysse onder één dak gebeurt: van design tot afgewerkt product, alles wordt op ons terrein in Pittem beheerd en opgevolgd.

Voor velen zijn bad- en keukenstoffen een alledaags artikel. Voor ons is het echter het resultaat van een proces dat we met veel passie doorlopen, telkens met jouw tevredenheid in het achterhoofd. Neem je mee een kijkje achter de schermen?

Seit unserer Gründung im Jahr 1953 haben wir uns zu einem europäischen Marktführer in der Herstellung und im Vertrieb von Bad- und Küchentextilien entwickelt. Es wichtig zu wissen, dass bei Clarysse alles unter einem Dach stattfindet. Vom Design bis zum fertigen Produkt wird alles in unserem Stammwerk in Pittem, Belgien, hergestellt und administriert.

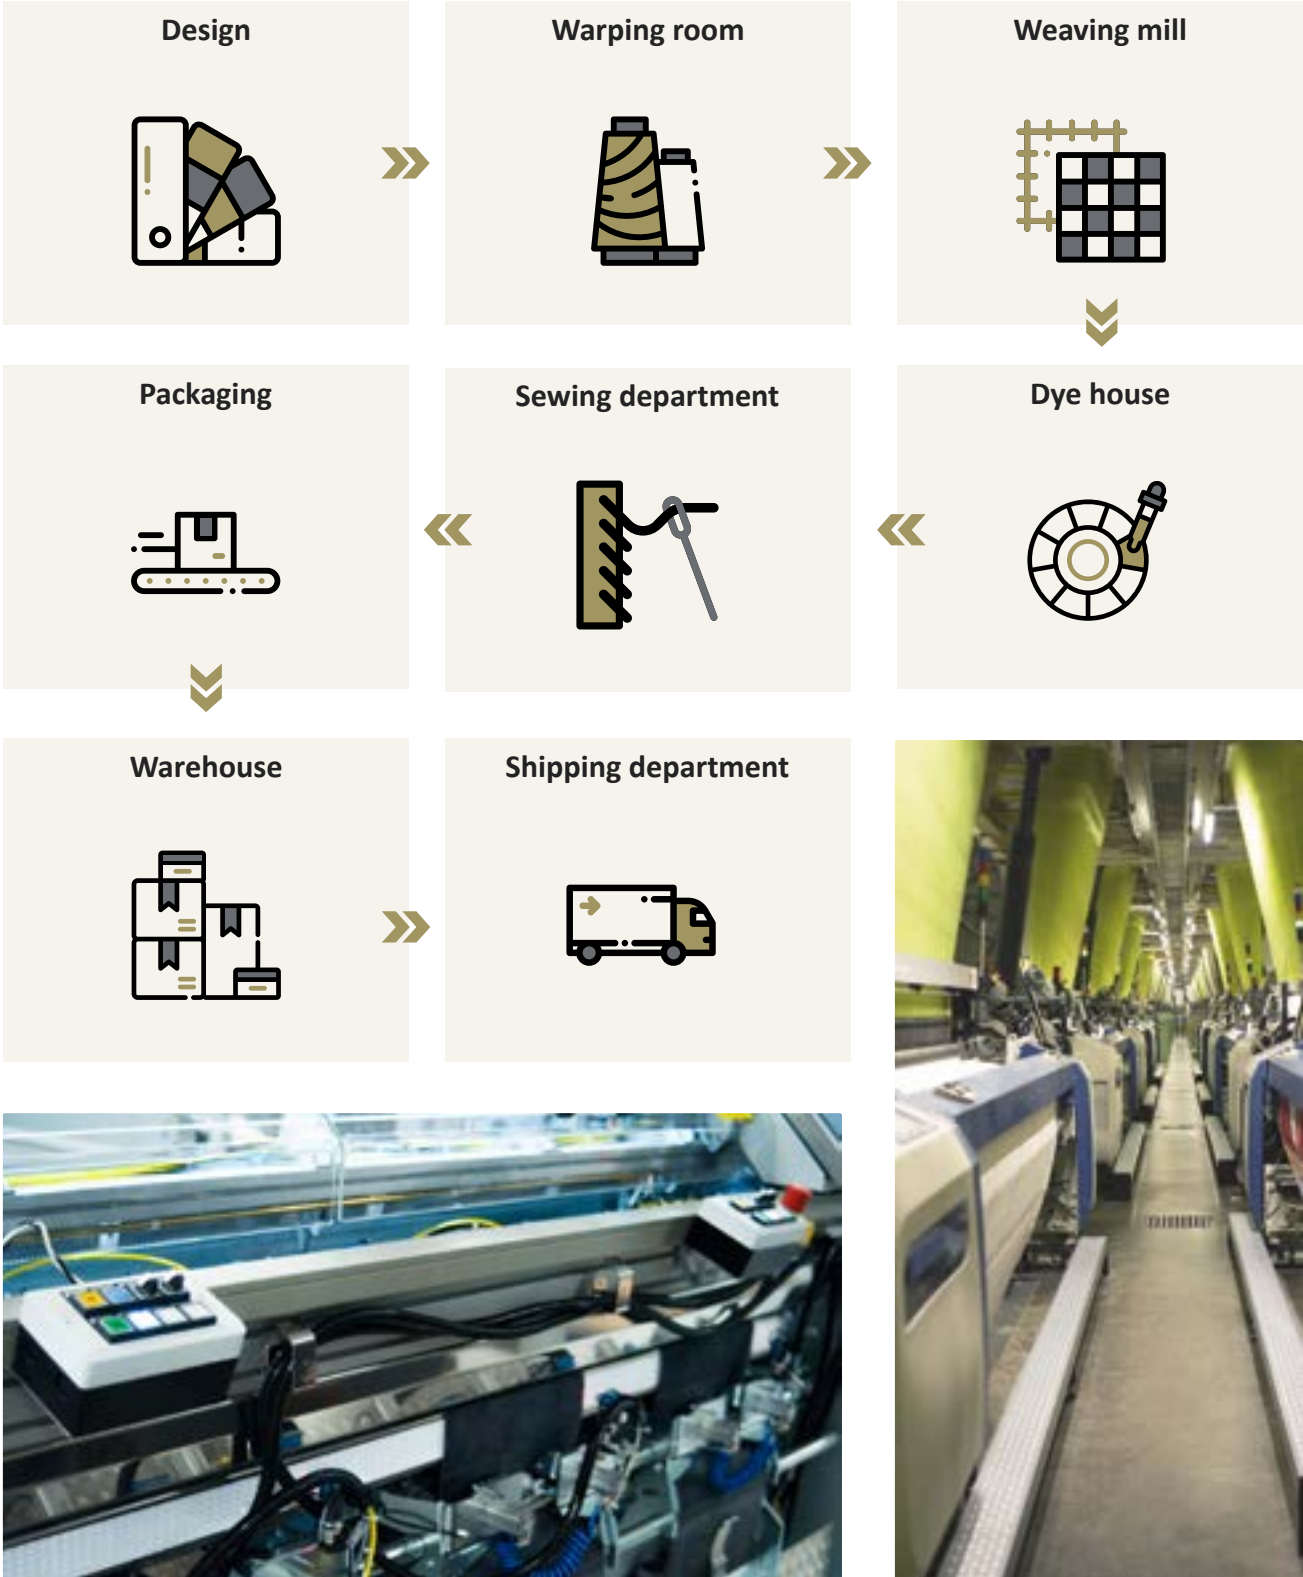

Für viele Menschen sind Bad- und Küchentextilien nur ein einfaches Produkt. Für uns ist es jedoch das Ergebnis eines Prozesses, den wir mit Leidenschaft für jeden neuen Artikel wiederholen. Bei der Herstellung von Frottiertüchern haben wir immer Ihre Zufriedenheit im Fokus. Wollen Sie mit uns auf eine Tour hinter die Kulissen gehen?

Depuis notre création en 1953, nous sommes devenus le leader du marché européen en matière de production et de distribution d'articles textiles de salle de bain et de cuisine. L'un de nos atouts les plus importants est que tout est fait sous un même toit chez Clarysse : de la conception au produit fini, tout est réalisé sur notre site à Pittem en Belgique.

Pour beaucoup de gens, les articles de bain et de cuisine font partie du quotidien ; pour nous, c'est aussi le résultat d'un processus que nous vivons avec beaucoup de passion et chaque fois avec le souci de satisfaire nos clients. Jetez donc un coup d'œil en coulisses ?

MADE TO MEASURE

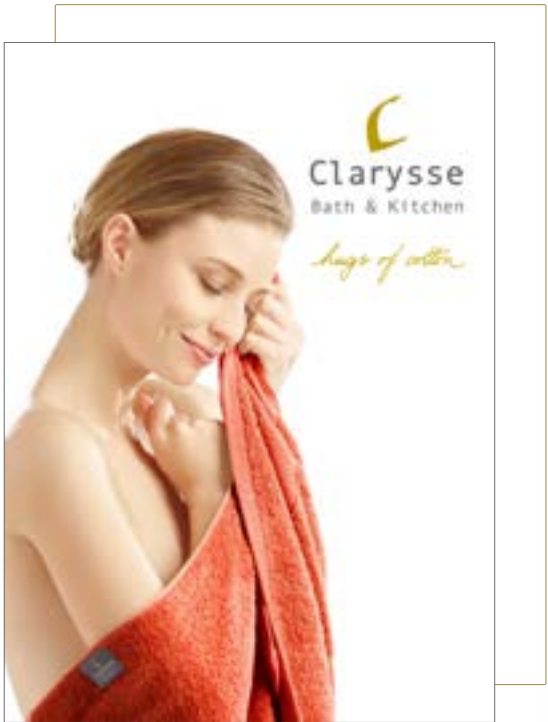

To promote your loyalty campaign, we offer concepts that are completely made to measure. We make the product and packaging and take care of point-of-sale materials such as posters, displays and leaflets. We also follow up on sales figures to adjust our production planning if necessary.

Om je (spaar)actie in de kijker te zetten, bieden we volledige concepten op maat aan. We maken het product en de verpakking, en we zorgen voor point-of-sales materiaal zoals affiches, displays en spaarkarten. Uiteraard volgen we ook de verkoopcijfers op, zodat we snel onze productie kunnen aanpassen indien nodig.

Wenn Sie Ihre Treuwerbung mehr ins Rampenlicht setzen möchten, dann bieten wir Ihnen auf Mass ausgearbeitete Gesamtkonzepte an. Wir machen die Produkte und die Verpackungen, und sorgen daneben für Point-of-Salesmaterialien wie Poster, Displays und Sammelhefte. LOVE HOME FABRICS

Clarysse is proud to wear the Love Home Fabrics label. This label serves as a signal to the end consumer for quality, affordable prices, dedication and craftsmanship.

For the professional, however, this label means even more. It is the expression of an ambition for us, a group of home fabrics producers and importers, to be a leading supplier for you and to become a reference.

LOVE HOME FABRICS

Love Home Fabrics was established in 2017 as a quality label of home fabrics. Our main purpose is to make people aware of the qualities of the fabrics in their furniture and homes. You can find us on curtains, sofas, mattresses and so many more fabrics that are a big part of your interior. To celebrate your home, we brought together a range of fabric brands that are renowned for their dedication, investment, and craftsmanship. Each of them is engineered to work better for the consumer – every day, they go all the way to be more convenient, more beautiful and more innovative.

People will love this label,
and the products that wear it.
